## QCJPD

### 1. HEAD DRESS

#### Glengarry, Plain

- Worn 1" above left eyebrow, 1/2 " above right eyebrow, canted to the right slightly, and with point of Glengarry aligned with nose.
- All positions wear plain Glengarry.
- Tapes pressed and without creases.

### 2. KILT

- Inside and outside aprons securely fastened by buckle and resting just above the half way mark of the kneecap.
- Pattern to be centered at front of body.
- Hem to be even in height from front to rear and side to side.
- Clean, pressed with no creases evident.

### 3. SPORRAN

- Worn centrally over front apron of kilt.
- Generally, the cantle is one hands breadth below waist belt buckle.
- The sporrان should square the area between the hips and knees and hang at a natural arc from the hip.
- All parts clean and in good order.

### 4. HOSE

- Top of hose is worn level side to side and front to back.
- Top of hose is three fingers breadth below outside bone at knee.
- The adjacent edges of the common two tab flashes should be touching (i.e. no gaps between the tabs.)
- Patterns/seams vertically straight.

## **5. FLASHES**

- **Both flashes to be worn of equal length on both legs.**
- **Leading edge of front flash to be vertically up front of leg.**
- **Bands need to be consistent in flash position on the leg.**

**The Band wears a black vest over dress shirt and tie. The vest should be clean and tidy, no loose buttons, etc.**

**Girls should have their hair tied back in either a pony tail or braid.**
